

Recognition of our Law Firm's Corporate Litigation Expertise

We are pleased to announce that our firm has been selected as the “**Recommended Law Firm**” for the Commercial Litigation law expert position in Cyprus by the “*Global Law Experts*” (GLE) and Dr. Pavlos Neofytou Kourtellos, senior partner of the firm, has been endorsed as “**Recommended Attorney**” for the same area. Global Law Experts is the premier guide to leading firms and attorneys throughout the world recommended for inclusion in the Global Law Experts® list. They are the only organization to recommend just one legal expert in each key practice area and country. All GLE endorsed lawyers must be either recommended, personally apply or be selected by Global Law Experts’ research department before they are given the opportunity of recommendation.

The fact carves out our firm’s expertise in the field of commercial law both on counseling and litigation level. Our legal team specializes in complex commercial disputes with particular focus on corporate disputes, business crime and commercial fraud. The recent years have seen our firm securing precedent-setting victories in the area of disclosure of information and confidentiality, the tracing of assets, arbitration law and insolvency proceedings. The choice of legal strategy entails various business and financial consequences and adopting the appropriate legal approach is of the highest value. Whether filing an action or vigorously defending one filed against our clients, we have been persistently building on the sound understanding of the law combining the ability to apply our knowledge to the commercial realities of the circumstances and come up with an effective strategy adding further to our reputation for excellence in the chosen field.
