### **Attending Pangea Net's 2016 Annual General Meeting ('AGM') and Conference**

Members of our firm, namely Mr. Loukas – Marios Kostakopoulos and Mrs Soteria Christou have attended Pangea Net's 2016 Annual General Meeting. This year's AGM and annual conference was in Germany, more precisely in the cities of Bielefeld, Gütersloh and Münster from 1 through 18 June 2016.

The perfectly organized conference and AGM was hosted by BRANDI Rechtsanwälte. Pangea Net is an international network of independent law firms founded in 2009 which focuses in attracting member firms that share a common commitment to delivering exceptional client service across the globe. Our law firm has become a member of the Pangea Net 3 years ago and ever since we have regularly attended the AGM and Conferences.

The AGM itself was held on the 17/06/2016 followed by two talks dealing with data security and partner compensation in law firms. We also had the great opportunity to meet with colleagues, visit the CLAAS factory and participate to a guided walk through Münster's city center.

This Year's AGM and Conference was the biggest, until now, Pangea event. The number of attendee law firms and their delegates surpassed every previous Pangea's AGM/Conference. The number of attendees and the candidacy of new member firms revealed the continuous growth and the huge prospects of the network.

Looking forward to the 2017 AGM and Conference which will be held in Mexico.
